

## Fundraiser to help support the Springwater Historical Society Museum in downtown Springwater

Bluebird Nestboxes are being made to order using pine and hemlock sourced locally. The nestboxes can provide a big benefit to residents and their woodlands experience.

Bluebird Nest-boxes are \$20 each. Email Dean Fakis at [dfakis@frontiernet.net](mailto:dfakis@frontiernet.net) for pictures and to order your Bluebird Nestbox (check or PayPal). 100% of the purchase price benefits the Springwater Historical Society's Museum. Pick up in Springwater on or about APRIL 1, 2017.
