FCFS DMP's available Nov 1st

Agents,

As you know November 1st starts the First Come, First Served (FCFS) Deer Management Permit (DMP) process. Applications for the FCFS DMP's cannot be done over the phone, online or through the mail, they **must be done in person** through a License Issuing Agent. In addition please keep in mind the following important points about the FCFS DMP process:

- Hunters may apply for and receive up to two additional DMPs in these WMUs.
- Applicants with licenses that are exempt from paying a DMP application fee or hunters who have previously applied for DMPs this license year will not be charged any additional fees during the extended application period. Otherwise, there is a non-refundable \$10 application fee for leftover DMPs.
- **Leftover DMPs are issued on a first-come / first-serve basis.** DEC will continue to issue permits in these WMUs until sufficient numbers of DMPs are issued to achieve optimum management in each unit. When a unit is opened, it will remain open at least until close of business that day. At the end of the business day, any units that have reached the desired number of permits will be closed.
- Applications for leftover DMPs will not affect any preference points held by the applicant.
- DMPs are only valid for antlerless deer in the WMU for which they are issued.

The Wildlife Management Units (WMU's) that will be available starting tomorrow, November 1st will be:

1C 3M, 3R, 3S (bowhunting-only) 7F, 7H, 7J 8A, 8C (bowhunting-only), 8F, 8G, 8H, 8J, 8N, 8R 9A, 9F, and 9S

Thanks for your cooperation.
