Re: County Road 36 closure notice

Ontario County will close a portion of County Road 36 beginning in July to allow our contractor to install a new cross culvert. The project is located at Ranch Road in the town of Canadice. County Road 36 is scheduled to be reopened in late October. The posted detour will be Jersey Hill Road, County Road 37 and NY 20A. A map depicting the project detour is enclosed.

Once the exact closure date is known, the County will provide another notification approximately 2 weeks before the road closure. We will be notifying town officials, local schools, emergency service providers and the post office of this closing. In addition, portable message boards will be installed approximately two weeks before the closure to inform the general public. Please contact me at 396-4282 should you have any questions.

Sincerely,
