

APPLICATION FOR HOME STANDBY GENERATORS

TOWN OF CANADICE

- A.) This application must be printed and submitted to the Town of Canadice Building Department. Incomplete applications will not be accepted.
- B.) This application must be accompanied with:
 - 1) Specifications about the unit being installed including make, model number, and overall dimensions.
 - 2) A general plot and/or floor plan showing the location of the unit(s) and distances from the house, windows, doors, and gas meter or fuel tanks.
- C.) Applicant shall provide a certificate of insurance for Workmen's Compensation/Disability Insurance presently held by the General Contractor.
- D.) Per NFPA Part 70 Article 702.8(a) a sign must be clearly posted at the electrical service entrance indicating that a generator is on premises.**
- E.) The application fee shall be based on the Schedule of Fees available from the Building Department and shall be submitted upon approval of application.

The applicant shall, as part of this application, agree to:

- prominently display on the premises the building permit issued;
- notify the building department at least 24 hours in advance for all required inspections and receive approval before any building element, equipment, or system is covered or enclosed;
- have all electrical work inspected by an authorized agent and procure a certificate of approval; and
- not use in whole or in part for any purpose whatsoever until the structure meets all applicable codes, stipulations, all inspections have been made, approvals granted and a certificate of compliance is issued.

The undersigned represents and agrees as condition to the issuance of this permit that said structure shall be constructed in accordance with all laws, ordinances of the Town and the State of New York Uniform Fire Safety Prevention and construction code of the State of New York. And all other applicable laws, codes, and regulation. Incorrect information may result in revocation of permit.
